## WHY CAN'T YOU BE MORE CREATIVE

After switching my concentration from Studio Art to Graphic Design, I struggled to express my personal style in a digital format. My favorite medium is collage, and this was the first piece I was able to make in half a year since switching. This collage emphasizing my love of dada art, but questions why I find graphic design so challenging.

## FISH WITH LEGS

It's not a frog. This leggy fish was made with acrylics and a palette knife on a poorly cut piece of cardboard. They embody something I cannot describe.
